# ABOUT US

[www.wosssen.com.tr](http://www.wosssen.com.tr)

In 1950, it took its place in the sector with the repair and maintenance of hot forging and agricultural tools. In 1970, he started to manufacture Auto Spare Parts, Wheel Bolts and Wheel Wrenches, Lever It has become a sought after brand.

In 1980, by expanding its machinery park and business area, it increased its business potential with dynamic and solid steps with the principle of customer satisfaction and increased its contribution to the sector.

*THE NEW NAME OF WRENCH WOSSEN.*

With years of experience, in 2010, VAV OTOMATİV HIRDAVAT YEDEK PARÇA continues its development as a "Followed" company, not a follower.

In its product line, it produces "Air Bite" products under the WOSSEN brand and offers them to the world market
